

Vanuatu Workcamp

9th - 25th January 2020

THE PLAN:

From 9th - 25th of January 2020, we will be in Luganville on the island of Espiritu Santo in Vanuatu. The main project will be the refurbishment and painting of Saint-Michel School and the local church.

DETAILS:

Cost: \$2000 - covers flights, accommodation, food and excursions.

Every participant is expected to raise at least \$300 to pay for the refurbishment materials.

WHAT IS A WORKCAMP?:

Workcamps or Service Projects have a threefold aim: to provide welfare or developmental assistance to a community in need, contribution towards a team based project, and learning about a different cultural heritage. These workcamps are organised and run by Centres of EDA (Education Development Association), in conjunction with Reledev Australia Limited - a not-for-profit NGA, accredited with AusAID.

Places are limited - each centre will have it's own application process.
